

A Growing Brand with Room to Expand

Cooper's Scoopers started with pet waste removal, but we're building something bigger. In addition to keeping yards clean and healthy, our franchise model is designed to support additional pet-focused services, including:

- Dog walking and Pet Sitting
- Yard deodorizing and sanitation treatments
- Seasonal and customizable pet care add-ons

This multi-service approach allows franchise owners to diversify revenue, increase customer lifetime value, and position themselves as the trusted local expert for all things pet care.
